

I watch C-SPAN because it is the "next best thing to being there". C-SPAN shows me the truth. I see the political system in action as it really is — in context without analysis, commentary and editing. C-SPAN enables me to form opinions based on facts, and only fact. I feel that if C-SPAN were available to all TV watchers the people of the United States would be informed and interested voters, resulting in better government.

I watch C-SPAN because you "show and tell it like it is"

and are the only TV network,  
(that I have access to anyhow),  
that does this unique programming.

I watch C-SPAN because it  
is my favorite network.

Sincerely,
