

THE UNKNOWN SOLDIER

WE'LL FORGIVE
CLINTON'S DRAFT-
DODGING AND ANTI-
WAR PROTESTING,
WHEN THE JEWS
FORGIVE HITLER FOR
THE HOLOCAUST!!!

"Styrcle"

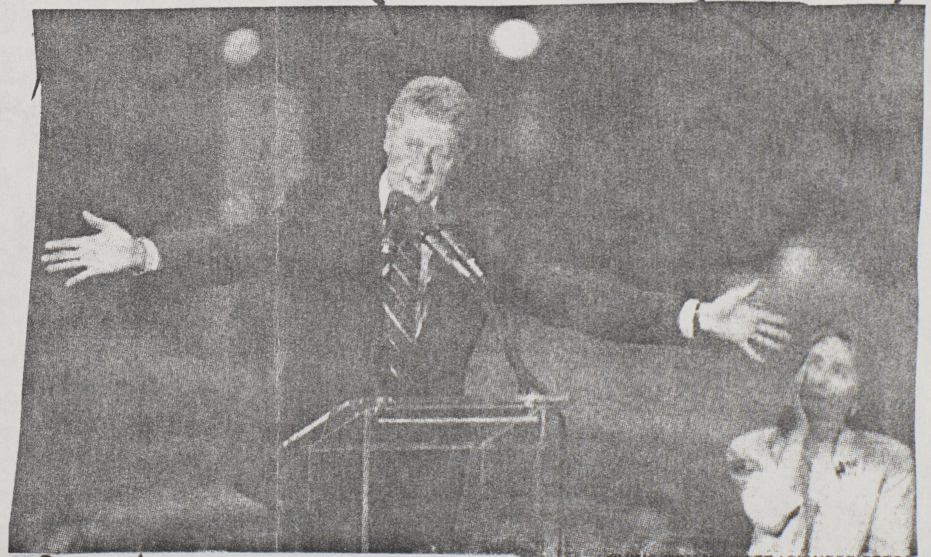

John Q Public, here, Mr. Clinton. Q#1. Since you are a draft-dodger and protested against your own Country on foreign soil, How can you in good conscience send our troops to fight and die in Bosnia? Q#2- Having had absolutely no experience in either the military (including the National Guard) or international Policies, who will over-see your "Foreign AFFAIRS?"

"Styrene"

In Reply To Q#1- I'm too old to go, I have no sons AND my daughter loathes the military.

Q#2- "Look over my shoulder, she's on her behind."

You've got that one right
