14-Sept-91

To whom it may concern,

I recently saw a show that was aired 2-Sept-91 and taped 13-July-91 with your interview and Tim Brown...

The former Chairman Brown Fullback, henceforth, politico activist.

From you; I would like a transcript of the above show.

The cost is unbeknownst to me, so there's no check is enclosed.

Please send the transcript to me and the cost and you will be repatriated. In all honesty...

Thank you
