Dear C-span t.v.

Thank you very
much for taking your time
to read this. We get you
on Cox cable t.v. in Omaha.

I have been told
that you guys have had alot
of people mad because you
showed alot of the gay
march ~~last~~ Sunday including
stuff that was not too
cool. I can understand
why people would be upset

about seeing it on T.V. And
if you did not tell people
ahead of time - perhaps you can
think about it. But I
also ^(for next time) believe as an american
christian that we need to
see all that went on
in Washington. And for the most
part it was not shown. So
I do tip my hat to you. Gay
people like all of us need
the love of Christ. But we
can not and should not
endorse a thing that is wrong!
Thank,
