Re: American Atheists' Convention
April 13-15, 1990, St. Petersburg, Florida

Dear Program Director,

Would you be willing to be a pioneer in the field of broadcasting?

The American people have a rare opportunity to discover the real meaning of Atheism sans the biased interpretations of the church. With your help, TV viewers can tune in to the American Atheist Convention and get a stimulating, intellectual dose of logic.

Are American Atheists communists ?? Immoral ?? Unpatriotic ?? Difficult ?? Lacking a sense of humor ?? The religious would certainly have everyone think so:

Bible Belchers can be seen on television any time and any where. Sadly, it is a rare occasion that an Atheist is allowed to speak his or her views on the air. Even

then, it is usually in the form of a debate or talk show where the Atheist has been deposited on stage, alone to face an angry christian audience.

Please do help America better understand what the nonreligious stand for.

Please DO cover ~~the~~ our convention this April 13, 14, and 15. Thank you.

Sincerely,
