Dear C-SPAN:

I have been extremely disappointed in the way C-SPAN has jumped to cover the accusations of ultra-conservative David Brock and those two Arkansas state deputies admittedly looking to write a book. The stories are totally uncorroborated, and the Arkansas Secret Service has already disproved parts of them. The serious treatment you have given these frivolous stories is beneath the dignity of C-SPAN and, quite frankly, DISGUSTING! It is a sad day in America when greed and sensationalism can overcome maturity, rationality, and responsibility.

Sincerely,
