RE: " The Trial of Hamlet"

In March, TCI Cable of Westchester carried your production of this program,  
either over C-Span-1 or C-Span-2.

Unfortunately, I was not aware of this in time to view it. Many of the faculty  
of our English department are actively interested in obtaining more information  
concerning this fascinating program.

Do you have a videotape and/or transcript available for purchase? If so,  
please send ordering address, price, postage and handling fees.

I eagerly await your reply.

Thank you.

Sincerely,
