

Tuesday Fourteen October

Dear Brian,

Hard to believe that this is the first
minute that I have had to jot you off a
note thanking you for allowing [redacted] to
hop aboard the C-Span bus. It was a truly
broadening experience for her (— and for
us all!). While it was a rather hectic pace,

much was learned.

I thoroughly enjoyed talking with you and meeting Victoria (who is lovely and delightful). Bill and I do hope you will come visit in Connecticut in the not too distant future.

You should be very, very proud of what you have accomplished, and what you continue to accomplish every day!

Happy reading and thanks, ever so much, for
Hinn's adventure!
Best,
