

Re: Calls to D
of President C.

Where do you get so
many negative Clinton
bashing calls? Personally
from one who only gets
busy signals, I am so
excited to know some-
one cares to try & to
work for ^{U.S.} us. Don't
these people read? ^{in history} on history?
Some of the accusations
& expectations are worse
than unreasonable &
impossible by himself.
HELP OUR President. Stop
undermining him & Country.
