Dear Bryan -

Character is very  
much an issue in this  
campaign. Bill Clinton  
should be held accountable  
in the draft issue.

You should have  
the man from Arkansas  
who was on Larry King Live  
on your show. You should  
also have the Retired Col. from  
Arkansas who had his notarized  
letter in the Washington Times  
saying Bill Clinton lied about  
the draft.

You owe it to this  
country to hold Bill  
Clinton accountable.

The truth is not in this  
man - He should not be  
allowed to "brush off"  
his lying -
