

Mr. Brian Lamb Re: Telephone lines 9-24-98

It appears you are a fairly well educated and intelligent person. O.W.R.

A most unintelligent action at C-Span is the Liberal, conservative, moderate Telephone lines and I believe you recognize the absurdity of such a procedure. Actually, during this very serious Clinton episode there are three lines for Clinton supporters - observations of calling viewers reveal there are no divisions, only liberals using all three lines and the ridiculousness about it is, that you know there's abuse, you know you can't control it, yet, you continue the process.

It's a mockery, Brian, and continuance of this process shows a disrespect to your intelligence and the intelligence of honest people who can't get an opportunity to express their views - open up the phone lines

To first come, first served - let the people speak - it's  
unbalanced now because of  
dishonesty in lines used  
the people honest - just  
C-Span & speak. you'll feel better  
too.
