Dear Sir:

I am a regular C-span watcher, I watch every morning from eight o'clock, untill I get bored by some double talking politician. I'm retired. I live in a steel mill community where we are mostly hard working middle class people. Our daily newspaper has a question and answer in it every day. I've learned from your program that it has only taken the American three weeks to get thier fill of Clinton. This may, or may not be of interest to you, I just thought id send it. Keep up the good work of C-span.
