Dear Mr. Lamb: Dec. 28, 1997

The de Toqueville series  
has been most thought-  
prooking and interesting.  
I regret it is about to  
end. Unfortunately the  
early hour here <sup>(6 a.m.)</sup> has pre-  
vented my seeing all  
of the episodes. I would  
hope it would be re-  
peated again during  
1998 - perhaps at a  
later hour.

I also appreciate  
your masterful book  
reviews. Please keep  
them up during the  
forthcoming year.

O.TOCQ

As a friend remarked  
the other day, "Not only  
is the Southwest a  
geographic desert. It  
is also a cultural one?"

Right on.

A grateful  
auditor/  
viewer

Thank you.

Will these programs be  
available to schools?
