Dear Brian —

While ~~watching~~ ^{002594 APR 12 1993} C-Span this
A.M. call-in-show I was
so mad. Chris Matthews was
so rude to everyone. He
interrupted even the people
calling in. As one caller said
"I am tired of listening to him."
I feel that you should have
controlled him a little bit.
I know I have the choice
of turning him off so that
is what I will do the next
time I see him on any program.

Thanks for C-Span. I
like all the views.
