C-SPAN

Terry Murphy, Program Director
400 N. Capital St. N.W. Suite 650
Washington D.C. 20001

Dear Miss Murphy

I would just like to commend you and C-SPAN for the EXCELLENT coverage of the GOP Convention. Being able to watch it un-interrupted was a breath of fresh air.

Watching the Networks (which I only had on for a few seconds) only made me annoyed with them - I don't need their commentators telling me what I heard. Seeing everything on C-SPAN enabled me to have a

Clear view of all the
speakers and our wonderful
Candidates.

Again, thank you for a
superb coverage of those
events.

Very sincerely yours,

Palmdale, CA 93550
