

Dear Mr. Lamb -

I have been watching C-Span for the past year & until now, the best part of your show was that you were non-biased! - No one could tell which political side you were on.

After watching your charades with Pat Buchanan & Chris several weeks ago - trying to find someone who liked Clinton - you really showed your colors. - You made a complete fool of yourself - & thereby took away from the program.

And then today - Sept 10th, you had 3 liberal journalists on - & didn't seem to care about "fairness" today! -

I thought you were different, Brian, but you're the same as the rest of the liberal media - Out of touch with mainstream America! -

You are all afraid of Clinton - & I can't figure out why. But now I've had it with C-Span & the likes of you
