Dear Mr. Lamb,

I am snowed in and have
been watching C-SPAN most of
the day. At this moment, on
C-SPAN, there is Jack
Kemp + Vin Weber
with the Coalition
to "defeat Pres Clinton's
Economic Plan". On

C - 5 P A W 2, there is
John McManus, President
of the John Birch Society,
How is that for "balance"
in viewpoints? Mr. McManus
is repeatedly pushing his new
book, "The Insiders" by holding
it up and referring to it as
his "new book". His attacks
seem to be directed against
Rhodes Scholars and the Tri-
lateral Commission for their
"Marxist views".
Enough already!

Sincerely,
