C-SPAN

I watch C-SPAN because it doesn't editorialize. C-SPAN presents political figures to speak their own words. Nothing could be more simple or more honest than that.

What you don't do is as good as what you do. You don't have self-appointed celebrities as the stars of the news, with the news relegated to second position. The big networks lost me a long time ago, many years before Walter Cronkite retired. Everything they present is in accordance with their editorial policy.
