Gov. Brown is so flakey
it bothers me to think he
is trying to be President
I pray he doesn't win.

His Flat tax was the
destruction of the Iron Lady
in England.

Am sure Browns back
ground is far from 100%
squeaky clean. Why doesn't
the Press dig up something
on him and print it.

Why always pick on
Gov Clinton. Its very unfair.
Don't kid yourself. Old Bush
would step out to if he could
find some to step out with.

A "Oldie" Magazine in England
gets a kick out of Bush. He
is trying to be young by
jogging. Funny
His son broke the set in

Colorado and you print
nothing about him

Cheaney is Sec. of Defense
and has never been in the
Service. Also bounced checks.

The vice pres is a
draft dodger and you
can believe it.

What a joke the Republican
party is
