Good morning MR. LAMB,

My husband and myself
are regular C-SPAN Viewers.
We enjoy the morning program,
however, we do agree with
the Monday (1-11) male caller
who spoke of the few Con-
SERVATIVE Guests on the
MORNING PROGRAM. IT seems when
you do have a CONSERVATIVE,
it is when most folks have
gone to work, After 8:30 A.M.

Mark Shields was a good ex-
ample of this. The format
should be in the reverse, as
the CONSERVATIVES go to work
every morning while the liberals
are home living off some Govern-
ment program that the ConSER-
VATIVE pay for.

Also, with your moderate and
liberal lines the liberals gain, as

they call on both, ALL the Time.
Why not continue the Sunday
line format, EASTERN, CENTRAL,
FOREIGN, is much better. Why not
do this week days. AT least we
do not have to label ourselves
when we phone in.

P.S. No reply is needed - please,
Just be more fair.
