C-Span,

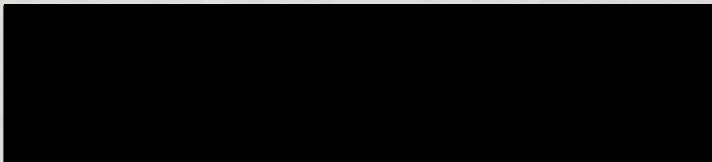

When that Republican called in to stomp on President Clinton - (the hostess that's what some one would call her) never asks those conservative reporters their opinions.

She probably knows without asking. When is C-Span going to level the playing field, but like all the other TV net works - you're cowards, to bring in a Clinton supporter is just out of the question, isn't it

Remember, the Democrats have to work for a living, and can't sit on their phone for hours as the Republican can.

They're so filled with hatred because we finally have a decent, caring, intelligent, get things done President.

If you continue to invite Clinton critics for eight, ten, 25 hours a day we have only contempt for your station.
