

C. Spon

(another colon and another)

Rain - do even lipstick change.
She (Connie) is back at it again,
cutting folks off and when
folks call in about a subject
she doesn't like and hasn't
picked out in the old
gossip sheets (the newspaper)

the guests.

I sure - C. Spon is great, it's
just a couple of the folks
you have trying to be
moderate and know-it-alls.
She (Connie) is just not a sincere
person in her talking and
comments. Does anyone there
ever listen to her.

sneaky and up on things
than you folks would
like to admit. You want
to be the ruling hand.

Brian passed the

die. Why?
