Dear Sir, Madam;

I would very much like to receive a programme schedule. I like your T.V. programmes very much and I really like the Sunday Journal. I receive your broadcast on Satellite T.V. and it is very clear and good audio. Would it be possible to repeat some of your broadcast during the week-days through World-Wide? Please reply to my letter! Hope to hear from you real soon!

Sincerely yours,

PRIORITAIRE
