DATE

20 Jan 92

I am an ardent supporter of C-Span as projected here in Cocoa Beach, Fl.

For quite some time we had two channels (#36 - #37) available to us. Now we have channel #36 full time and channel #37 part time and shared with a Spanish speaking program. How come? I thought C-Span was dedicated to keeping us citizens informed on activities in the House and Senate. Best to you all.

Sincerely,
[Redacted Signature]
