

O. BAPTIST CHURCH

11/2/98

C-Span used to be good and used to seem to be unbiased politically. Now you are all-out Clinton and Democratic leaning.

I watched in disbelief on 11/1 when you offered the 2 hours³ plus sermon/PR for Clinton from "New Psalmist Baptist Church" so the graphics read.

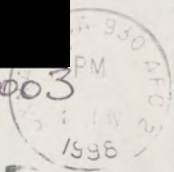

As soon as Clinton took the podium the graphic read "Democratic Rally". What a hypocritical thing for C-Span to do!

Clinton in a pulpit is ludicrous, at the least. I believe you dismissed the church/state idea - and so did the Baptists.
