Please do us viewers a favor. Next time you invite the Congressman from PA, Mr. Paul Kanjorski to be a guest, please try to have a more aggressive Republican member to counterbalance this man. Mr. Kanjorski is one of the rudest, loudest members of Congress - he talks over his colleague constantly, I suppose because he's afraid your viewers will hear the truth, and it's extremely irritating since obviously his opinions are already well known and we'd like the opportunity to hear another voice. Connie Brod seemed unable or unwilling to control this very out of control guest. He was asked by a ^{caller} guest as was the Repub^{from N.J.} to name what they've done to cut taxes in their states. This man mumbled how taxes had been cut in PA the past 3 years with no examples, then proceeded to tell what a terrible job the Gov of NJ had done so the Repub rep couldn't get a word in edgewise. How rude and how typical of this man.
