Dear Sir:

I want to thank you for your gavel-to-gavel coverage of the Democratic convention. For those of us interested in politics - particularly Democratic politics - it would have been impossible to enjoy the Convention on the major networks, considering their inadequate coverage - pathetically inadequate at that.

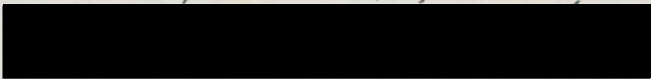

Now to a question, on the Sunday morning after the conclusion of the convention July 19th, C-Span repeated some of the highlights from the Convention including Governor Mario Cuomo's speech nominating Governor Clinton and Governor Clinton's acceptance speech. I could have taped it, but it was well into the program before I thought of it.

We have friends who were out of the country during the Democratic Convention and very much wanted to hear these speeches.
(over)

Is it possible to obtain them
on tape from C-Span.

I would appreciate hearing
from you.

Very truly yours,
