Dear Brian

I am writing this at 4:30AM to
express my SAD disappointment with
your beginning presentation today.

Those of us who LISTEN & THINK use
C-SPAN for information. you began
with a propaganda piece about a
Detroit man who DOES NOT LISTEN & DOES
NOT TRY TO LEARN. you inflicted several
minutes proving this man's ignorance
at us.

PLEASE, BRIAN - if you must use news-
papers, use the FRONT PAGES & save
the opinions till later. SADLY -
