Re: Chris Matthews  
To: Mrs Lamb

o.w.) R

I realize Washington Journal is your  
program - put on with your money.

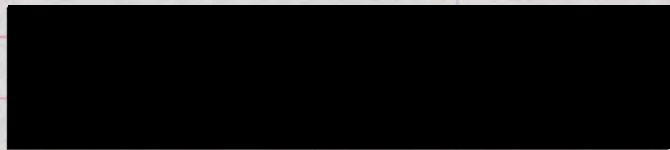

I get sick to my stomach when you  
showcase people so consumed with  
hatred. I turned it off and it  
made me sad to think it is  
necessary for you to give that  
horrid man, Chris Matthews the  
opportunity to 'scream, rant & rave'.  
CNBC pays him very well to scream  
his hatred for the President and  
especially his hatred for Mrs. Clinton.  
Please remember, Mr. Lamb,  
you have reasonable people out  
here not consumed with your  
preferred brand of hate!  
Perhaps you could start on  
Gov. Chiles next & have Chris

Matthews on to scream about him  
now that he cannot defend him-  
self.

Chelsea & the Lores would  
be a good subject for your  
call in and trash people program.

Merry Christmas & Remember

"This Is The Season To Promote  
Hate"

Remember - don't let those  
Democrats on your program  
and encourage Republicans to  
call on Demo line & say

"I used to be a Demo, But  
I HATE ----"

W. J. is down the toilet!!!
