I Watch C-Span because

As a 'Combat disabled  
Vietnam Veteran of two years of Combat duty  
and a Active Member of the Military Order  
of the Purple Heart, I am constantly aware  
concerning events of mutual interest in the  
political scenario of the past and present  
administrations and the every day changes on  
all fronts in the four corners of the World.

C-Span provides a total  
consolidated picture of both Congress and the  
Senate, the different subcommittees the movers  
and the shakers in Wash D.C. and of course  
our Commander-in-Chief

the interviews with all the  
variety of political giants in terms of Columnists for  
Newspapers, publishers and Comments from people  
all over the United States reminds me of us  
as a Nation with differences in politics but  
United in patriotism.

By Watching your Network daily  
I get a full view of the "Big Green Machine" of  
World politics, the light side, as well as the bleak.

2.

And in closing, the World of C-Span  
brings into our homes the events of everyday  
interest, in he it, affairs concerning Veterans,  
Federal deficit, Nuclear Freeze, Salt talks,  
Food Stamps, poverty in Appalachia, and exposing  
political machinations that occur in some  
circles of Big men, Big money, Big government.
