

1/27/92

Dear C-Span,

I enjoy your channel very
much.

Last evening I was watching
"Road To The White House", with a
segment on Clinton and a segment
on Tom Harken.

I was very offended by the segment on
Harken. Unless I was mistaken, your
sound equipment caught him saying
"Shit" and also many, many profanities.
Please either censor him or don't put him on.
