Dear Mr. Lamb,

I'm very glad when
you have university professors
as guests. James Ceaser
and Leo Ribuffo are the
kind of people we aren't
exposed to, often. Their
views raise the quality of
the dialogue.

Thank you for C-Span;
I watch C-Span every day.

C-Span

I wish you could make available a list of all TV stations's addresses.

I like it when an address for Washington Journal guests is put on the screen IF IT'S ON LONG ENOUGH TO WRITE DOWN.

Thank you,
