

Dear Bear C-Span: Will you please
inform your adult, mostly male
callers, and erudite pundits, what
this is all about?:

O.W.J.
It's children helping children;
of, by, and for youngsters; it ~~R~~
begins with them!

No, your old geezers, like the
JCs and the like, have not done
the job, or made a difference, or
benefited anyone but themselves,
except for superficial tokens and
publicity. Enough hypocrisy!
