

Dear Brian, (P.S. Thanks) 3-12-99
Have you ever surveyed your
junkie viewers as to age? I would think
on average maybe in the upper 60's??
I am 72. The reason I ask is, I don't
think more than 25% of those is "computer
conversant"!! I would think 75-80% of your
communicants - phone or whatever, comprise
less than 10% of your heebers. To us others I
would like more use of the mail - not FAX
or ORG etc. How do you reach us? How
