

Not for your contest, Only 5-17-99
to tell how much Pres. Tyler Program
appreciated. Liked demonstration of

Virginia Reel danced in the Home. This
dance was taught in elementary or jr.
High School EAST LOS ANGELES 1930's.

When I had little girl birthday
Parties we went outside the house &
danced the Virginia Reel. My ♡ is
lifted today by your presentation of
only such could be taught in the
schools today. Respectfully,

Thanks
