Dear Brian:-

I see you in your red tie. I hope it doesn't just mean you are a Republican. I still have hopes you are available.

I guess all we can do is carry on for now. If you have any ideas let me know. you are in Washington DC aren't you. and I'm in Warrensburg, Mo.

If you write me I'd like to know a little bit about you. Like children + ex-wives: All I have is 5 step-children

Hope to hear soon
