

YUGOSLAV-FIASCO

Dear Mr. Lamb,

BRONX - N.Y.C. - 10460

you said, "We will make pro-

and con telephone categories on C-SPAN,

WASHINGTON JOURNAL." That's total

nonsense. It seems as if you want

to skew the overwhelming disapproval
by liberals, conservatives and moderates.

C-SPAN callers, on this fiasco in 0-WJ

Yugoslavia A.K.A. - Clinton's War. Why do
you want to promote 50% approval

and 50% disapproval by taking ~~only~~ one

pro fiasco phone caller, and then one anti-

fiasco phone caller. What you want to do

is wrong, wrong, wrong. You have joined
with the pro-Clinton War, media
propagandists who promote, (lie) that
Americans are evenly divided on,
Clinton's agenda, making the U.S.A., the
world's only, cowardly, Super Bully.
If Mr. Lamb doesn't like the results
he is getting, from the vast majority
of C-SPAN phone callers, what does Mr.
Lamb do? Mr. Lamb takes one pro, and
then one anti, phone caller to consecrate
Clinton's War. Wake up, Mr. Lamb you
have become a Clinton, toady. Sincerely,
