Dear Sir or Ms.

I watch C. Span almost every day but it seems to me that you people, not AT&T will not listen to calls from South Jersey. If ~~we~~ were some Russian or Limey, you would talk to us.

You don't see what is wrong with this World today. Can't you that the English are murders of the Catholic Irish. You take no feeling for Joe Doherty who came to this Country for freedom from Tyranny but you people are more sorry for the Cubans and the Hatians who want to come here to get on Welfare and get
(over)

sell Drugs.

The other day I went to the Bank to cash my S.S. check, there was a young girl there. She was getting Food Stamps and Cashing her Welfare check. She had on \$150. Boots \$200. lar rings and me the Senior citizens of N.J. are hungry and have very little Medical treatment, But I dont hear anything about that on C-Span.

We have a Democrat Gov. who is for killing babies, before they are born but he will not do anything about the scam on Death Row.

That is what this Country is coming to under the Democrats. We sure dont need them as President. It is bad enough in N.J. we have them for Gov. + Mayor,

I am a Republican but will not ~~and~~ vote for Bush, I am for Buchanan, Bush is a liar. Bush is a cheat and a murderer of our G.I.'s for the Oil Co's and let the S + L slide because the crooked son of his stole money that the tax-payers are paying for.

So why don't you people put these things on C-Span.
