

Why C-Span is no longer to be
believed or watched:

1. Phone lines are a laugh - why don't you place a proper caption that says "Only Republicans are welcome to call"
2. C-Span promotes every ANTI CLINTON Book - true or not.
3. C-Span's favorite magazine is The American Spectator (aka the Garbage Pail)
4. C-Span's purpose in life: "Get Clinton" - O.W.J. R
5. C-Span's favorite Right-Winger Ralph Reed!
6. If a positive regarding Pres. Clinton should be stated, the host must read a negative from their paper, "The Washington Times."
7. Oh Well - C-Span is like Mr. Kenneth Starr - you don't have to account to anyone!
8. 30-day Call rule - ha! ha! ha! ha!

I'm not signing my
name because I know
that you don't care what
my name is as I
imagine all mail goes
into the dumpster.

Ron Schreiner
