Re: Your new politically correct policy of having separate lines for Demos/Repub/Other.
1) If you have a conservative Demo or liberal Repub how will you make it "fair?" 2) If you have a Demo call but no Repub waiting when another Demo call comes in do you take two Demo calls in a row, or vice versa? 3) If you have a Repub fax come in and you have no Demo fax following it, do you just not read a second Repub fax until you get a Demo fax?

In other words, the whole idea is positively ridiculous. I am a conservative Republican and I had tried for nearly three years to get a call through. Imagine my surprise when I did get through a couple of weeks ago, so the point is: the whining liberals have the exact same chance of getting through as conservatives and I find your name policy distastful to say the least.
