

Mark is #1 as a chairman

I have 1 question
And one statement.

1. What does politics
have to do with the
Gov. of N.Y.'s private
life? Also the President
What would come out
if 99 of 100 of your
then (probably women too)
were tracked? (O.W.)

2. Bob on your panel
is so stupid its sad.
How can you invite a
guest on the show then
let him call them a hypocrite
and other names? Al is a
poor substitute for Mark.
