

9/22 The more I hear the more convinced
I become that there is and has been a right
wing CONSPIRACY to discredit our President
The media is 90% owned by companies
such as Westg. Gen. Elec. Rupert Murdoch
etc. I see the same names all of whom
previously worked for a former Rep.
Pres. (Keth Starr should fold his tent, leave)
Coulter, Olson, Ingraham, Adams, Grisbury,
Levin, Klayman, Townsend, De Genova, Blankley
