Mr. Brian Lamb,
C-Span,
Washington, D.C. 20002

Dear Mr. Lamb -

Although I have been a cable subscriber for a number of years, it was not until recently that I learned about C-Span and the informative discussions presented on your network. I am now a full-fledged fan!

Unlike many of my age group (late 80's), I am not addicted to television ^{soaps}. The news, special discussion programs are my main interests. So it was a Red Letter Day when I discovered C-Span.

I do not always agree with

the opinions expressed by some
of your guests but I find them
interesting and informative.

See you on Channel 44!

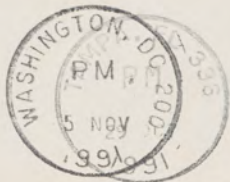

Sincerely,
