Great Call - In Show Today! (8:30 AM - 9:30 AM)

The guests - Seth Lipsky & Joseph Sobran were great because they had mostly opposite viewpoints on the topic of the Mid-East peace conference.

When you have articulate but opposites in philosophy, political beliefs, etc. it makes for a much more interesting show.

Suggestions for the future: A Ramsey Clark versus a Fred Barnes. Or Mary McGonigal versus George Will.

Thanks,
