Gentlemen,

Once Again I write to
protest your continued use
of "media personalities" on
many of your offerings to
the public.

We, the average voter, are
unable to identify the
true political character of
people calling themselves
"reporters", "analysts", etc.

I just watched a re-broadcast
of a program on which
Eleanor Clift was a panel
member. She was listed as
a "Reporter" for Newsweek.
IN the past I've seen her
on the "McLaughlin Group"

II

on Public TV. IF she
is NOT A member of
The NATIONAL Democratic
Committee, she should be.
Anyhow, the point of
my complaint is THAT
we TURN TO C-SPAN
~~TO C-SPAN~~ TO hear and
see politicians ~~we~~ THAT
we CAN identify by
their voting record.

Even the least knowledgeable
among us ARE AWARE THAT
there is NO such thing AS
AN UNBIASED news person.

I think it should be
mandatory that the voting
records of "ALL" media
types be published.

P.S. This request for publication of voting
records should ALSO include all "EXPORTS".
