Dear C-Span —

I thank you for Broadcasting
the "Standing In The Gap" gathering
at Washington D.C. Saturday
afternoon.

The best way to give news is to
allow your viewing audience to see
the whole occasion rather than a
short excerpt + someone's ^{biased} opinion
of the event.

I realize this is not often possible,
but I do appreciate this particular,
unusual coverage of a "religious"
gathering as many who would have
wished to attend were unable to attend.
