

Dear C- Spoon

NOV 13 REC'D

38¢4-9¢

I watch your program all of the time; But I must protest a guest, namely Rochelle Stonfield. I was very interested in what she might have to say about the middle east.

But; I finally had to turn off the TV, because I was going crazy with her umms and ahs, which was every other word.

I just could not stand to listen to her.

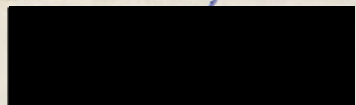

It may be a petty point, but it made listening intolerable.

DEC 11 ANSD

Your show is great
