

DEAR Brynn,

I HAVE BEEN A  
CONSTANT VIEWER OF C-SPAN FOR  
MANY YEARS -

WOULD YOU PLEASE CHANGE  
THAT HORRIBLE PIANO SOLO YOU RUN  
AFTER MANY SEGMENTS -

IF you stop & listen to  
it CAREFULLY I believe you will  
AGREE that it is at the LEAST  
NERVE WRACKING -

THIS is the kind of sound  
that would drive a prisoner of  
WAR nuts in a very short time !!  
I know from experience -

Keep up the great work  
with your skilled interview Talent.

Sincerely,

P.S. Please select some more soothing  
music there is plenty to choose from !!!
