

Mr. Hass - Your endless hawking on the
ills of the U.S. would suit you much better
for the Environmental Defense Fund or
the Sierra Club or Earth First! Who-
ever appointed you had to be a lying,
cynical, sanctimonious Liberal idiot, i.e. Bill
Clinton & Hillary! Or perhaps that famous
old Buddhist ALGORE! You fit right in,
San Francisco & with your looks, limp &
limp wrists, I'm sure you're a queer!
If illegal fund raising doesn't get Bill
Clinton impeached, his appointment of
you as FAIRY LAUREATE sure will! IF
you develop full blown AIDS during your
term you can be a living example of a
windbag telling others how to live! VANISH!
PLEASE!
