

Sers: June 4/99
Ms Reynolds, your June 3rd quest, is one of those negroes who, as the Union Army approached her master's plantation, while other slaves ran to the Union lines, shouting "free at last, free at last," she would grab a shotgun to protect her master's life.

True, all 233 million white Americans don't hate black people; in fact, many whites love black people; but in America, any negative encounters between whites & blacks, invariably are contaminated by race
